Remember . . .

Nineteen hundred sixty-nine marks the end of some of the most memorable years in the lives of the Seniors of Onancock High School. They have spent only a small amount of time preparing themselves to face life and all its hardships; yet, with this preparation they have gained enumerable experiences in the joys of living and learning. Throughout life, these Seniors will remember Onancock High School as a center of education as well as a place of happiness.

As the result of its attendance at the Annual Clinic at Hopewell, Virginia, this year's annual staff has tried to bring this year's annual up to date. In trying to do this we have broken with most of the established traditions replacing them with an opening section which provides for the development of a theme. This, we were told, was the thing to do, so we have done it. We sincerely hope that our experiment has been a success. In order for improvements to be made, someone must break with tradition; so let this year's annual staff be known as the one which had the courage, and we hope, the foresight to do it.

The newspaper staff has been very busy this year trying to issue a paper on time each month. The Senior and Junior Editors attended the Newspaper Clinic at Richmond this year and came back full of ideas for making the HORNS' HERALD a school newspaper to be proud of.

Throughout this year we have tried to include in our paper opinions of students, interviews with teachers, and book reviews along with the traditional class and club news, sports, and gossip. We hope that including these new things has made our paper a better one than ever before, one that the student body will look forward to reading, one which will keep everyone fully informed on what is happening in our school, and one which has striven to achieve better understanding between the students themselves, and their teachers.

The Drama Club is composed of juniors and seniors from Onancock and Central High Schools. Under the direction of Mr. Nicholson from Central, last year the Drama Club put on LIL' ABNER, which was a huge success.

Aside from acting, the members help with lighting, make-up, costuming, and set designing.

Mrs. Richardson sponsors the Onancock section of the Drama Club. Mrs. Melvin Irvin is the music director.

If a student council is to be effective, it must be closely related to the total student activity program of its school and to all parts of that program.

This year the S.C.A. has been quite active. At the beginning of the year they participated in Bundle Days, sold sweat shirts, and opened the school store at lunchtime.

At Christmas, the decorated tree brought the Christmas spirit to everyone.

Each spring, the new officers are elected. Every member of the student body has the privilege to vote for the candidate of their choice.

The Beta Club is a leadership organization for high school students whose major purpose is to stimulate effort, reward achievement, and to encourage further education.

Membership is based on scholastic achievement as well as character and a commendable attitude.

Every student is potentially eligible for membership, provided he meets the standards determined by the local association.

Above all, the organization attempts to encourage its members to adhere to the highest principles and practices of honesty and tolerance.

We had the privilege of attending the District Conference at Northampton High School in the fall. Here we elected officers who attended Model General Assembly in Richmond.

During the school year of 1968-69 Onancock High School established a badly needed musical program which was open to juniors and seniors. This program was, of course, the Onancock High School Glee Club under the leadership of Miss Connie Rosentreter of Onancock. The club has sung in various programs sponsored by the school and local church organizations.

Miss Rosentreter recently stated at a Glee Club practice that this group of young people is one of the best she has ever conducted.

WHISPERING PINES

Accomac, Virginia

Mr. Dennis Rodgers Curtis,

Thanks so much for teaching me how to play bridge and for all the jokes you have told me. Also, please say hello to your dear "Aunt Virginia" and I am not being smart about it.

Take care of yourself on all your future trips like those you have had this year out West(?). Do not ever forget all the good times that we have had this year and remember all the times I have done the opposite of what I said I was going to do. Thanks for all the times you took me to the basketball games and remember the night I bought you some pizza and then an ice cream cone. Don't let some people get you all upset during class. And next year, don't let those girls from away get you flabergasted. And one very important word of advice, keep your eyes straight ahead, looking side ways can be hazardus to your health. And when someone tells you it's snowing look before you leap. Don't cut your hair all off because then, I could not call you "Curley". You must make me a pie sometime soon, if you still expect to get a birthday cake after you have lied to me. And no matter what you think, I think that picture of you and Bevie is really sweet. I hope you know how to behave yourself but I doubt it, considering the people you travel with. I hope you are dif-

ferent. You told me not to draw any pictures in here but I am going to do it anyway because I want to. I lied to you; now we are even. We really must play cards soon. Please behave and if you can't behave, BE CAREFUL at all times. Don't let anything happen to the "CLAN" and take care of Curtis Neck Take care and don't ever forget all our times together as the SENIORS. Write me a letter next year and tell me of your love life. Now behave.

Always
ASHBY

P.S. And now I will write my real message to you. You are a great guy and I hope that our friendship will always remain. Take care and don't ever forget me. Come see me this summer and let's not let anyone in on our secret.

LOVE ALWAYS,
Jane

Denise,

Oh, guess what! This is our last year, Dennis. Too bad I'm not in government this year, we could have extended our friendly little competition. That's O.K. It's time for me to finally admit that you are the better historian. Take good care of yourself next year and have fun.

Love ya,
Terry

Dennis,

This will be the last time I'll ever be able to sign your annual, this is the end of our east high school year, and next year we'll be completely lost. How does that grab you!

Always remember all the good times we have had these past 4 years. Have fun this summer & be good next year. I'll write you from Radford this summer just to let you know how college life really is!!

Love always,

Marilyn J. Fincen

Dennis,

Best of luck to a great guy and fellow hunter. Be good and always leave a few ducks for next years.

Barry Lane

Dennis,

Lots of luck to a great guy! It's hard to believe that you'll be graduating. The sure will miss you and the Seniors of '69 next year. Have fun this summer and don't work too hard at college! Ha!

Love ya,

Bonnie

Rodgers,

With a name like that you need all the luck you can get.

Rogers

Hi, Dennis – Here's an upside down message to a real friendly friend guy. Boy, we've been made friends when people made jokes about all the fuss in the halls made fun in wholesome attempt. Have fright Bambi – this idea – you all did a fine job, & we're proud of you! See ya around.

Fore Finally

Class of '70

Dennis,
Best of luck to a real swell guy. Remember all of the good times down in French class. Be good this summer and don't get into much trouble.

Love ya,
Beth

Dentis a Denace,
Maybe one of these days you'll learn how to play chess and cards. Oh well, we all can't be terrific. Remember our great B&B days + our beating 2nd team. Any day you want to run the "Clam" just let me know. Have a good summer and save the island for me.

Mike

Dennis
Best of luck to a real nice person. Best wishes in your future. Be good this summer!

Jenny

Dennis,
Best of luck to a real great guy. Good luck next year and in your future years at college.

Glenn

Dennis,
Well, our time in OHS is drawing to a close. You know it seems only yesterday we were back at old Acoma. Remember all the good times we had there! Keep telling your jokes and enjoy yourself next year.

Jeannie

Dennis,
Best of luck to a real crazy guy. Remember all the great times playing cards. Have fun this summer but behave

Richard B.

Dennis,

Listen, you must make a deal with me. We've still got to exchange our jokes even if you don't like mine! After all, the one you told me about the fuzz wasn't so great either. Be good this summer. Don't get into any trouble!?

Love,
Gayle

Okay, you crummy, crudy, crawling creep, I'm going clamming this year and you can't stop me (I hope). You see, we got a trailer and I'll be in your next Dennis, of Atlantic ocean and stuff around this summer. If I wake up on your porch some day.

Dennis,
Best wishes always.
Good luck in the future.
Have a good time this summer and don't forget, as Nita said, that say RODRIGUEZ, it all.

Guinaldbumstein

Dennis,
Is a real great guy. I wish you all the success for the near future. Remember those times we've had at school. Be good and stay in Boston. I hope to see you this summer.

I love ya!
Faye

Dennis,
Well, here goes. Best of luck in the future to a great guy. Never forget the name Rodriguez whenever I hear it, I will think of you. Aren't I nice? Thanks for telling me all of those "nasty" jokes! Whoop! Have a good time this summer.

Nita

Dennis —

Best of luck to a great tackle. Don't forget all those great class meetings & Prom meetings. It sure will seem strange not coming back next year, but I wouldn't have it any other way !?! Hope to see you this summer

Ahhh, yes, oh great, mysterious, all-powerful, omnipotent (50¢, please) swanny, tell me the theme of this annual.
Congrats on a fine sports section, except pages 12-32. Not really. I think you've got a pretty good job. Wait till you see the crummy prom we got lined up for you. Well, have a wasted enough of your valuable space, now, so I'll just cut it off here. Big Bertha's all thinking of this is supposed to be the "V"

Chris

Dennis
Best of luck to a real great guy. Remembered those great trips to Sunay. It was great having you as captain on basketball this year. I hope you do well in the years to come.

Gary

Dennis
Best of luck to you in the future and please try not to hog the ball as much in college. If you don't hear from me in two weeks, don't bother to come back after you graduate.

Ted

Dennis,

Best of luck in the coming years to one of my very best friends. Haven't we had a lot of fun these last four years! I think decorating for the prom is the best yet. Wasn't it beautiful! I just can't believe that it's almost time for us to graduate. It doesn't seem like we're old enough yet. It sure gave me encouragement to look out in the stands and see your face at every BKB game. I think it made us fight even harder cause we knew that somebody cared. Thanks alot!! I know you're going to have a terrific time at college next year. I hope you'll be good though! Please take care and have a real nice summer.

Love,
Becky

Well, Dennis, I guess you know that the best class in OHS history is about to graduate. It's really been great playing on all the athletic teams these years. Don't ever forget the trips to Leroy and Bryce's. Well have to go again next year maybe. Don't clean out all the clams this summer.

Frank '69

Dennis,
Best wishes for future success. I'll always remember you as a great guy and wonderful friend. Remember all the great times we've had in and around OHS, in sports, dating and trying to put together the sports station. Try to be good and remember me as a friend.

Dennis,
Well, it will all be over soon - 12 years of fun, work, and friendship. Remember all the great times we've had together, starting in the first grade and continuing through the years. Next year we'll be separated, but we'll keep in touch, I hope. Be good & take care! Come see me at ECU!

Dennis,
Man, we're finally finished with these 4 years of hell. Only four more to go. It's been a lot of fun this year, to bad we didn't get to know each other sooner than this. I'll be glad when I out but it was fun while it lasted.

Dessie,

The time is almost here, to leave, and, to leave all our friends. This year has really been fun. Remember all the football games and pep rallies. Working on the float was fun, but I thought it would never get done. The basketball games were fun — I hope I didn't bruise your arm by hitting it when I got excited. Thanks for all the jokes they were cute, but some got kinda gross! I am glad I've finally found time to learn to play bridge. It's just that dumb bidding that confuses me. Oh, and thanks for rushing me into the tree limb, I felt like Tarzan flying through the trees. You'd better not forget me after this year! Try to write, o.k.?

Love,
Gail

Dennis,

Who will I have to tell my troubles to next year? Who will I have to confide in?! I'll really be lost without you but I just know I'll run into you some time. Thanks for all the poems you wrote to me; (you're really a poet!) I've saved everyone. Thanks for scratching my back in Math class and listening to all my problems. But THANK YOU most of all for being a very special friend.

Love,
Mary

Dennis,

To a good friend, who I'll always remember. Try to remember me and our class especially as the greatest of them all. Have fun this summer and the best of luck to you in your future. Don't go clamming too much and remember those post rides from Barnes's house

your friend,
Penny

Dennis

Dennis,

To a fellow curly hair. I suppose Both of us have gottin' a lot of cracks about that in the past years. Remember all those great football games + BKB, too. Even though the girls on the BKB team couldn't make it across the bay, we were there in our hearts. Whoop! Maybe we'll all run into Doroski sometime this summer, so be prepared with your clam shells. Best of luck next + come June 6 we can raise all kinds of holy he--?

Love ya!

Lots of luck to a great guy but not to great on seeing. I'll never forget the great BKB season we had with you as our leader. I'm sure you'll make out fine in whatever you do. Take it easy this summer.

Dennis,
Best of luck to a nice guy and good basketball captain. Thanks for the helpful advice in basketball & how to dig for clams. Remember the times in Memorial Stadium & how about across the bay. I know I will improve by batting in baseball because it can't get any worse. Study hard in college & have fun this summer.
Doug

Dennis,
Well, we'll soon be graduating and won't we be happy? You'd better believe it! Remember all the fun in study and best of luck in your future chess games. Best wishes to a great guy and have a good summer.

Dennis,

Best of luck and all that rot to a big olé Senior from a punky little 8th grader. I got the piece of net on my bulletin board so I can think of you.
